

THE FUTURE IS
WOW!

THE CAMPAIGN
FOR LEGACY HALL

Legacy Hall, Florida State University's new building for the College of Business, is a showcase facility – one that provides more instructional space, one that is smartly configured to foster connections and collaboration, and one that integrates learning with the latest technologies. The result is a transformational educational experience for our students, our faculty, our alumni and our corporate partners.

ESTIMATED BUILDING COST:
\$160 million
[including furnishings and equipment]

Our new facility is designed to provide space for students to develop their ideas for a new business venture, to learn investment strategies from Wall Street insiders, to practice sales calls in a state-of-the-art lab or to conduct research on current and emerging business issues. Legacy Hall provides Florida State University the opportunity to make a greater positive impact on the art and science of business in Florida, in our nation and in our world.

More and more, we rely on visionary alumni and friends like you to invest in critical areas like Legacy Hall to keep us on the path to preeminence and to provide the high-caliber education our students expect and deserve. For us, the vision is clear. We are not just building Legacy Hall; we are building our legacy for tomorrow.
